Look over J. K. Johnston's new Ladies Coats.

Blankets, Robes, and Comforts are on sale at J. K. Johnston's.

Out flannel at 6 cents per yd. Just the right material for comforts—at J. K. Johnston's.

Miss Zanna Laidig and brother Harvey of Hustontown, spent Sunday with the Misses Ott at their home East Lincoln Way.

J. F. Garland, Belfast township, was transacting business in McConnellsburg Monday and included the News office on his rounds.

After having spent a two weeks' vacation in the home of his parents, Mr. and Mrs. George F. Metzler at Harrisonville, Robert Metzler returned to Philadelphia last Monday.

Misses Maude and Annie Ott of East Lincoln Way, and their sister Miss Mary, of Altoona, spent a few days last week visiting in the home of their brother Roy and family at Mercersburg.

Mr. and Mrs. Asbury Chesnutwood accompanied by their son-in-law and daughter, Mr. and Mrs. Miller—all of Johnstown, spent a few days recently as the guests of Mr. Chesnutwood's sister, Mrs. James Davis, of Knobsville, and his niece, Mrs. Allison Sipes, of Hustontown.

Attorney and Mrs. Reuel Somerville and their children Dorothy and George, and Mrs. Julia Smith—all of Patton, Pa., motored to Fulton County and spent last week visiting in the home of Mrs. Somerville's parents, Mr. and Mrs. George F. Metzler at Harrisonville.

Our friend Andrew Brant now thinks nothing of taking daylight round trips of 300 miles in one day in his Ford. He passed on through town last Friday on a hunting trip—hunting a cook, and he may have traveled that far on that errand—many have to travel farther before securing one with the right requirements.

Mrs. Harriet A. Deshong formerly of Pleasant Ridge, but who has been making her home with her daughter, Mrs. J. L. Garland, near Mercersburg, for the past three years, has been quite ill for some time. During the first week in August she was visiting her daughter Mrs. Linna Trogler and on her return to Mrs. Garland's she took sick and has remained so ever since.

Mr. and Mrs. Emory M. Booth who reside near Gettysburg were called to the former's home on last Tuesday on account of the serious illness of Mr. Booth's mother Mrs. Wm Booth of Timber Ridge this county. Mr Booth was fourteen miles from York City looking after the interests of the Southern Oil Co. when he received the message and lost no time. They arrived at his father's home about 9 o'clock in the morning, having made the trip in their Overland touring car.

**OLDER BUT STRONGER**

To be healthy at seventy, prepare at forty, is sound advice, because in the strength of middle life we too often forget that neglected colds, or careless treatment of slight aches and pains, simply undermine strength and bring chronic weakness for later years.

To be stronger when older, keep your blood pure and rich and active with the strength-building and blood-nourishing properties of Scott's Emulsion which is a food, a tonic and a medicine to keep your blood rich, alleviate rheumatism and avoid sickness. No alcohol in Scott's.

**Ayr Township Convention.**

The Ayr township Sabbath School convention was held at Laurel Ridge Christian Church September 19th. The meeting was called to order by president James H. Kendall. Rev. Dotterman was the only minister present, but the lay delegates and visitors joined heartily in the discussions. All the schools were represented but one or two. All but two of the schools met their pledges and it is hoped that they will soon make good too, 110 were in attendance, the great majority of which were members of some Sabbath school.

**Notice to Water Consumers.**

The McConnellsburg Water Company hereby requests its patrons to abstain from using the water to sprinkle the streets or water gardens for a short time. The Company is doing its best to connect up the springs and give to the town an abundant supply of pure spring water. There are enough springs on now to supply the town for all household uses if the sprinkling is cut out. Just as soon as all the springs are on there will be an abundant supply for all purposes. Just as long as people use the water for sprinkling the Company will be obliged to feed into the pipes the "run" water.

**Why We Have Grown.**

Because we have always done banking on the highest, most conservative, most progressive and painstaking manner—and because we have lived up to every promise—these are reasons why we outgrew our old home.

From a total of \$160,000.00 in deposits four years ago to \$316,000.00 deposits to-day, is a good record. We are naturally proud of our beautiful and substantial home—one room of which is fitted for the free use of the public and convenience of our patrons for private business engagements or other meetings.

Many of our largest and most prosperous depositors started their savings in a small way. Do likewise. Begin to-day, by placing your savings at 3 per cent. compound semi-annual interest in

DEALER IN

High Grade Plain Pianos, Player Pianos, Organs, Victrolas, Records, and Professional Tuner, McConnellsburg,

Nothing adds more to the refinements of home than good music. To have good music you must have a good instrument. There are good bad and indifferent instruments, and to the unskilled eye they look much alike. The unprincipled dealer is likely to make you pay a first-class price for a fourth-class instrument. I have lived in this county since my birth, I am a taxpayer and in a position to make good any business transactions. Buy your piano, organ, or victrola from me and if it is not all right you can come back at me.

There are families in every part of this county that have purchased instruments from me. Ask them about me.

Perhaps you want to trade your organ for a Piano, or Player Piano; or your Plain Piano, for a Player. See me. Let's talk it over.
